These Terms and Conditions will be reviewed annually by our Senior Management Team. Any amendments require the approval of our Senior Management Team.

1. Scope

This document sets out the Terms and Conditions which form part of the contract between: (1) Bloomsbury Institute Limited; and (2) an applicant who has accepted an offer of a place on a course.

NOTE: The [Student Protection Plan](#)¹ sets out a number of risks that could result in an interruption to the studies of current students or a delay in the start of studies of prospective students. If a risk occurs, the Plan sets out: (i) the support we will provide to minimise the impact; and (ii) (where applicable) any right to a refund of tuition fees and the payment of compensation.

Any tuition fee refunds and payment of compensation that become due under the Student Protection Plan do not affect: (i) any rights under these Terms and Conditions; and (ii) any other legal rights.

1.1 Tuition fees

The tuition fees for all our courses are published on our website:

www.bil.ac.uk/courses/fees/

The published tuition fees apply to specified start dates. Tuition fees may increase for subsequent start dates. If you defer your start date or restart a course having been withdrawn, or transfer your course after the first year, you will be charged the tuition fees that apply to the new start date. The published tuition fees for courses which extend beyond one year set out:

- The annual tuition fees; and
- The total tuition fees payable over the duration of the course, if you complete the course by the expected date of completion.

There will be no increase to the annual tuition fees payable over the duration of the course provided you complete the course within 12 months of the expected date of completion.

If you do not complete the course within 12 months of the expected date of completion, your annual tuition fees may increase for any subsequent year studied beyond this date. In such circumstances any increase will be limited to the UK's latest published annual rate of inflation (using Consumer Price Index (CPI)).

2. The contract

If your application has been successful, you will receive an offer letter from us, outlining the terms of the offer and any requirements/conditions that you need to satisfy. The requirements/conditions you need to satisfy may alternatively (or additionally) be set out in your online applicant portal. This letter constitutes your formal offer of a place to study at Bloomsbury Institute.

By accepting our offer, you are also accepting these Terms and Conditions that will form a part of the contract.

You confirm that all of the information and documents you have submitted as part of your application is truthful, complete and accurate.

Other than in accordance with the [Admissions Policy](#)¹, you cannot complain or appeal against the outcome of a selection decision.

¹ <https://www.bil.ac.uk/qem/policies/>

Note: The Student Protection Plan is approved by the Office for Students.

We reserve the right to withdraw any offer made if any of the information or documents you have provided are found to be false, incomplete or inaccurate.

If you require a visa to study in the UK, we can withdraw any offer made prior to the issuing of a Confirmation of Acceptance for Studies (CAS) if we have any concerns about: whether you are a genuine student; whether you can satisfy the UK Visas and Immigration (UKVI) requirements for the issuing of a Student visa; your academic ability; or your English Language proficiency.

If you require a visa to study in the UK, you authorise us to contact UKVI regarding your immigration history and any other matters.

You authorise us to contact your referee for the purpose of evaluating your application.

You authorise us (whether directly or through a third party such as Qualification Check) to contact your awarding body or educational provider (e.g., school, college or university) to verify that your qualifications and transcripts (including any English Language qualifications) are genuine. You authorise any awarding body or educational provider to release this verification information to us or any third party instructed by us.

You authorise us (whether directly or through a third party) to undertake verification checks with regards to any information or documents that are provided as part of your application (e.g., your passport). You authorise any body or person to release this verification information to us or any third party instructed by us.

If you apply for a loan through The Student Funding Company, or any other loan company, you authorise us to share your data and information with The Student Funding Company or any other loan company, and for The Student Funding Company to share details of your application with us (to include whether your application is declined or approved).

At enrolment (and, where applicable, during the application process), you will be required to present proof of your identity, proof of address, original copies of all qualifications listed on your application and details of how you intend to fund your course.

2.1 Students requiring a visa to study in the UK

If you are an international applicant, you will need to apply for a Student visa and gain entry clearance to study in the UK before you travel.

We will issue you with a Confirmation of Acceptance for Studies (CAS) to enable you to make a Student visa application once all the conditions of your offer have been satisfied (and provided we have not withdrawn your offer under **Clause 2** above), and upon payment of the Tuition Fee Deposit. We will not charge you for issuing the first CAS. If you require a further CAS, for whatever reason, there will be a charge of £250 for each additional CAS issued. We will only issue up to a maximum of 2 CASs.

When you apply for your visa, you will need to submit to the UKVI the documents listed in our International Sponsored Student Guide which is available at www.bil.ac.uk/qem/policies/.

You will also find information about the visa process, how to apply and which documents you will require on the UKVI website (www.gov.uk/student-visa/apply). You are encouraged to regularly check the UKVI website in the event of any changes to the requirements. You can also contact our Compliance Team at visa.compliance@bil.ac.uk or +44 (0)20 7078 8840 if you have any questions or if you require assistance with your visa application.

If you require a Student visa, you must pay a minimum Tuition Fee Deposit before the Confirmation of Acceptance for Studies (CAS) can be issued. The amount of the Deposit will be stated in your offer letter. The full course fee will also be stated in your offer letter. Both the Deposit paid and the Year 1 course fee will be stated on the CAS. You are expected to pay any outstanding balance as shown on the CAS in accordance with these Terms and Conditions.

When you apply for a place on one of our courses, you are giving us permission to discuss your immigration matters with the UKVI.

It is your responsibility as a student to ensure that you comply with the conditions of your visa and maintain valid leave to study in the UK for the duration of your course.

Your enrolment may be suspended or cancelled if you fail to comply with the conditions of your visa, if you fail to engage with your course, or you cannot demonstrate your entitlement to study in the UK.

Once you start your course with us, you agree to:

- Provide us with your UK contact details (address, telephone number and email address) and to keep these up-to-date as necessary
- Attend all scheduled classes, unless there are exceptional circumstances that prevent you from attending (and we subsequently need to authorise your non-attendance), in which case you must inform not only our Compliance Team and provide any evidence as requested, but also submit a request through the Student Self-service Portal (SSP)
- Produce your passport, visa (including the visa letter) and original qualifications for checks at enrolment
- Inform our Compliance Team of any change in your immigration status or changes in personal circumstances which could affect your permission to stay in the UK
- Provide evidence that you have left the UK or have transferred to another university or changed your visa status, if you leave before the end of your course.

If you require a Student visa to study in the UK, we are required to report to the UKVI instances of you failing to attend your classes, change of course or discontinuation of study and any other changes to your personal circumstances which could affect your permission to stay in the UK. Failure to adhere to these Terms and Conditions may lead to us withdrawing you from your course and informing the UKVI that we are no longer sponsoring your Student visa.

2.2 Your right to cancel

If we make you a conditional or unconditional offer of a place on one of our courses, and if you accept the offer of a place, you have the right to cancel the contract within 14 calendar days of the date you accept the offer. Such cancellation must be made in writing in line with our [Withdrawal, Study Break/ Suspension of Studies and Deferral Policy²](#). If you cancel the contract within this 14-day period, no tuition fees or other financial charges will be payable. Any tuition fees or other financial charges which have been paid will be returned to you (the originator) in full within 14 calendar days of our receipt of your written cancellation.

2.3 Our right to withdraw a course

If we make you a conditional or unconditional offer of a place on one of our courses, this offer is subject to the recruitment of a minimum number of students to make delivery of your course viable from an educational perspective. The minimum number of students for all our courses is generally set at 12.

We have the right to withdraw a course (even after you have accepted an offer and paid a Tuition Fee Deposit) if this minimum number of students has not been recruited, or for any other reason, provided you are notified no later than three calendar months prior to the course's advertised start date.

In these circumstances, we will refund all tuition fees paid. We will accept no responsibility for any other losses which you might incur.

² <https://www.bil.ac.uk/qem/policies/>

We will seek to make you an offer for an alternative course where possible.

2.4 Our right to change the awarding body

Provided you are notified no later than six calendar months prior to the course's start date, we are entitled to substitute an alternative awarding body of similar standing in place of the published awarding body for any of our courses. In these circumstances, you will be entitled to cancel the contract within 14 calendar days of the date we inform you of this change and we will refund all tuition fees paid. Such cancellation must be made in writing.

2.5 Our right to make changes to course content and structure

We are entitled to make changes to the published course content or structure. You will be informed of any major and significant changes to the published course content or structure no later than six calendar months prior to the course's advertised start date. In these circumstances, you will be entitled to cancel the contract within 14 calendar days of the date we inform you of any major and significant changes and we will refund all tuition fees paid. Such cancellation must be made in writing.

Any major and significant changes that are made to the course once you have enrolled, must be approved in accordance with our policies and procedures (which requires consultation with students). Any major and significant changes can only be introduced at the start of an academic year. You will be informed prior to the start of the academic year of any major and significant changes so that you can decide whether or not you want to continue on the course the following academic year. If you decide you do not want to continue, you will be liable for all tuition fees up to (but not including) the following academic year.

2.6 Our right to cancel your application, withdraw an offer or withdraw you from the course

By making an application, you confirm that all information and documents provided as part of your application are true, complete and accurate and that none of the information requested or other material information has been omitted. If you supply any false, incomplete or inaccurate information or documents, we reserve the right to: (i) cancel your application; (ii) withdraw any offer of a place; or (iii) withdraw you from the course if you have started the course. If we withdraw you from the course after 14 calendar days from the course's advertised start date, you may be liable for the entire year's tuition fees.

Our [Engagement Policy](#)³ stipulates that students are required to attend all timetabled classes unless there are exceptional circumstances that prevent a student from attending a class (that we authorise).

Students normally register their arrival at classes electronically using their Student ID Card. Students are required to fully participate with the system and as such, applicants are assumed to agree to this system when accepting their offer of a place on one of our courses. We do not accept any misuse of Student ID Cards and the attendance system, such as using another student's ID card to register their attendance.

Our [Engagement Policy](#)⁴ provides details on when students will be withdrawn. For international students, academic engagement is monitored in line with our International Academic Engagement Policy. If a student is only provisionally enrolled on the course or fully enrolled but has not attended in the first two weeks, we will de-register the student.

For information relating to any applicable tuition fee charges and refunds if we withdraw a student from a course, see **Section 9** below.

⁴ <https://www.bil.ac.uk/qem/policies/>

2.7 Requesting a deferral

If you have accepted an unconditional offer of a place on one of our courses, you can request a deferral for a maximum period of 12 months. This 12-month period starts from the date of the original advertised start date for the course, as per your original offer. You will be required to satisfy any changes to the entry criteria and you will be liable to pay the tuition fees which prevail at the date you actually start the course. Additional information is contained within our [Withdrawal, Study Break/ Suspension of Studies and Deferral Policy](#)⁵.

3.1 Tuition Fee Deposit: Self-funded students

If you do not require a visa to study in the UK, and if we make you an offer of a place on one of our courses and your tuition fees are not covered by a loan from the Student Loans Company (SLC) or another approved loan provider or approved sponsor with whom we have agreed different payment terms, you are required to pay a Tuition Fee Deposit equal to 50% of the total fees payable for the first year of your course. within 14 calendar days of accepting the offer. If we make you a conditional offer (and if you accept the offer), the Tuition Fee Deposit only becomes payable within 14 calendar days of you having satisfied all the conditions.

If you require a visa to study in the UK, if we make you an offer of a place on one of our courses, you will be required to pay the Tuition Fee Deposit as stipulated in your offer letter before we issue your CAS. This Tuition Fee Deposit must be paid irrespective of whether your fees are being covered by a student loan or paid by a sponsor.

See **Section 3.2** below for payment options.

See **Section 4** below if your tuition fees will be paid through the Student Loans Company (SLC).

⁵ <https://www.bil.ac.uk/qem/policies/>

The Tuition Fee Deposit will also not be refunded if your Student visa application is submitted too late to be processed in time and/or rejected due to a failure to submit documents with your Student visa application which had previously been submitted to (and approved by) our Compliance Team.

The following tuition fee payment options are available for the balance of your tuition fees for the first year of your course:

10. Regulations, policies and procedures

We set our own regulations, policies and procedures, which may be amended from time to time. The most recent versions can be accessed through our online [Quality and Enhancement Manual](#).

You are required to comply with all such regulations, policies and procedures, where relevant, throughout your studies. You are also required to comply with any regulations, policies and procedures that are published by any awarding body for your course. The details of any awarding body will be set out in your offer letter.

12. Engagement monitoring

www.bil.ac.uk/qem/policies/

13. Contact details

Each year at enrolment and re-enrolment, you will be given the opportunity to check and verify the accuracy of your personal details including your contact details. Our Registry Department will also invite you to check your contact details at the end of your course.

It is essential that if, at any time, your personal or contact details change you notify the Registry Department and provide any required verification (e.g. (i) name changes require originals of a deed poll or marriage certificate; and (ii) passport/visa updates require production of the original documents). Failure to do so may result in you not receiving critical information about your course, or receiving incorrect documents (e.g. if you change your name and you do not inform us and provide the verification documents, your Transcript and Award Certificate will be issued in your previous name, and a payment will be payable for issuing a new Award Certificate in accordance with **Section 6.1** above).

If you do not receive correspondence or if you fail to respond to a letter, email, telephone call or text message that we send to you because you have failed to inform us of changes, this will not be acceptable in any claim of mitigating circumstances or any appeal. It is your responsibility to keep this information up-to-date. We will use your @bil.ac.uk email address which is provided to you free of charge at enrolment as the default method of communication. Where a communication is sent to you by email, text and/or letter at the contact details we hold, that communication will be deemed to have been delivered and received by you.

14. Jurisdiction

This contract and any dispute or claim arising out of or in accordance with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with English Law.

The courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in accordance with it or its subject matter or formation (including non-contractual disputes or claims).

15. The entire agreement

These Terms and Conditions constitute the entire terms of the agreement between you and us, and they override all prior agreements, terms or statements in connection with your application to undertake one of our courses and the tuition fees payable in respect thereof. Appendix A: Glossary

Awarding body

A body which may grant academic awards. Degree awarding bodies are a type of awarding body, but there are many others. If an organisation acts as an awarding body, then it is responsible for any awards it grants.

CAS

Short for 'Confirmation of Acceptance for Studies'. The CAS is an electronic record that a higher education provider produces for the UK Visas and Immigration (UKVI) and it is required for the student's visa application. The higher education provider will produce a CAS and send it to the student, listing the information that has been sent to the UKVI. Students will need this information to make the student visa application.

Conditional offer

An offer of a place at a higher education provider which depends on the student achieving certain qualifications and grades (for example 3 A Levels Grades ABB or a specified number of UCAS tariff points) and providing proof of such qualifications and grades.

Deferral

An agreement between the student and the higher education provider to delay the time of entry to higher education for up to a year; e.g. amending your start date from October 2024 to October 2025. This may be due to the student's decision to take a gap year or for other issues such as medical ill-health.

Postgraduate (PG)

A student who has already completed an undergraduate degree and is in the process of studying for a second or third degree (a masters or a doctorate).

SLC

Short for 'Student Loans Company'. SLC is a non-profit making government-owned organisation established to provide financial services, in terms of loans and grants, to over one million students annually, in colleges and universities across the four education systems of England, Northern Ireland, Scotland and Wales.

Student visa

International students who seek to study with a higher education provider can only do so if they are sponsored by the provider to enable them to apply for a Student visa. The higher education provider must be approved by UK Visas and Immigration (UKVI) as a Student Sponsor to enable them to sponsor international students. Bloomsbury Institute is approved by UKVI as a Student Sponsor.

Student Sponsor

An organisation that the UK Government trusts to sponsor international students and is approved by UK Visas and Immigration (UKVI). Higher education providers must be included on the Office for Student's Register to be eligible to be approved by UKVI as a Student Sponsor. Without this status, the provider cannot recruit international students.

UKVI

Short for 'UK Visas and Immigration'. UKVI is a division of the Home Office responsible for the United Kingdom's visa system. It makes decisions about who has the right to visit or stay in the UK, with a firm emphasis on national security.

Unconditional offer

An offer of a place at a higher education provider that is not dependent on the student attaining particular qualifications and grades.

Undergraduate (UG)

A student studying their first university degree, usually a BA, BSc or LLB.
